

Defect Description:

Confirm Email page is shown for phone number login

Steps to reproduce:

1. Go to <https://lingapp.com/welcome>
2. Enter already registered phone number and click 'Continue'
3. Verify if page name is about verifying the phone number

Expected result:

Page name should be 'Verify phone number'(this is just an example name.)

Actual result:

Page name to verify the phone number is shown as 'Confirm Email'.
